Can be persuaded by either side and often determine the outcome of resolutions.

1. Minister of Health
2. Medical Ethics Board Chairperson
3. Healthcare Journalist & Media Representative
4. National Disaster Management Authority Representative

FINAL DELIVERABLE:

"A multi-stakeholder policy framework outlining actionable measures to improve pandemic preparedness, healthcare workforce resilience, and the continuity of essential health services during future outbreaks."

Day - 1

8:30 - 9:00

REGISTRATION

9:00 - 10:00

OPENING CEREMONY

10:15 - 12:30

COMMITTEE SESSION 1

Theme:

"Assessing the Vulnerabilities Exposed by COVID-19: Identifying Critical Gaps in Healthcare Systems, Workforce Capacity, Infrastructure, and Emergency Preparedness."

Objective

To identify the causes, dimensions and stakeholder perspectives surrounding India's urban-rural divide.

Key Areas of Discussion

1. Healthcare workforce shortages and burnout
2. Hospital and ICU capacity limitations
3. Supply chain disruptions (PPE, medicines, oxygen)
4. Public health surveillance and early warning systems
5. Vaccine development and distribution challenges
6. Rural-urban disparities in healthcare access
7. Coordination between public and private healthcare sectors
8. Public trust, misinformation, and crisis communication

PAPERS TO BE SUBMITTED:

1) Position Paper (Where do the stakeholders stand)

12:30 - 1:30

LUNCH

1:30 - 3:30

COMMITTEE SESSION 2

Theme:

"Balancing Public Health Security and Economic Sustainability: Determining Stakeholder Responsibilities, Funding Obligations, and Emergency Powers During Future Pandemics."

Objective

Key Questions

1. Who should bear the cost of pandemic preparedness?
2. Should private hospitals be required to reserve beds during health emergencies?
3. Should governments have emergency powers to regulate prices of medicines and essential supplies?
4. Should vaccine patents be temporarily waived during global health crises?
5. Should healthcare workers receive legally guaranteed protections and hazard compensation?
6. How much authority should governments have to enforce lockdowns, quarantines, or emergency measures?

BLOC FORMATION

Stakeholders are encouraged to form alliances with stakeholders sharing similar priorities and policy objectives. These blocs will collaborate, negotiate, and develop unified proposals to address the agenda effectively.

PAPERS TO BE SUBMITTED

- 1) Covert Mission plans for crisis**
 - 2) Overt Mission plans for crisis**
 - 3) MOU**
 - 4) Press Releases**
-

Day - 2

8:45 - 10:30

COMMITTEE SESSION 3

Theme: Crisis Planning & Overt Mission Development

Sub-Agenda: *"Responding to an Emerging Global Health Emergency: Designing and Implementing Stakeholder-Led Crisis Response Strategies."*

Description: Delegates will transition from policy discussions to action-oriented planning. Through overt directives and crisis response missions, stakeholders must coordinate resources, negotiate partnerships, and respond to rapidly evolving public health emergencies while balancing their individual interests and responsibilities.

Objective

Stakeholders will be questioned and interviewed by other stakeholders by their speeches and other stances; crisis updates will be given as the session goes; stakeholders are expected to reply on the spot.

Papers to be submitted:

1) MOU

2) Press Releases

10:30 - 10:45

JUICE BREAK

10:45 - 12:30

COMMITTEE SESSION 4

Theme: OPEN SOLUTIONS DISCUSSION

Objective

To discuss and evaluate the solutions for the main agenda, the total economic, and social challenges, and the overall solution of the committee

Papers to be submitted

- MOU
- Press Release
- Solution paper - 1

12:30 - 1:30

LUNCH

1:30 - 3:30

COMMITTEE SESSION 5

Theme: The Solution

Objective

To finalise and endorse a comprehensive stakeholder-driven Solution paper

Activities

- Clause-by-clause review of the Solution paper
- Final stakeholder negotiations
- Presentation and defence of the Solution paper

Deliverables

- Final Solution paper
 - MOU
 - Committee Recommendations
-

3:45 - 4:45

CLOSING CEREMONY & AWARD DISTRIBUTION

4:45 - 5:00

DISPERSAL
